

Consent and Release for Contractors Drug Screening

As a condition to my contract at FleetNurse Inc., I agree to submit to a urine drug test, also known as a urinalysis. The purpose of this urinalysis is to determine the use of controlled substances in my body.

I understand that the results of this urinalysis, if confirmed positive, may remove me from consideration for contract at FleetNurse Inc. A positive test indicates the presence of marijuana, cocaine, opiates, amphetamines, and/or phencyclidine.

For the sole purpose of this urinalysis, I authorize my FleetNurse's Authorized Agents to collect samples of my urine, and to use these samples or to forward these samples to a testing laboratory chosen by for analysis. I also authorize these results to be reviewed by a Medical Review Officer (MRO).

Further, I authorize FleetNurse Inc.'s Authorized Agents to release the results of this urinalysis, and any other related documentation, Quest Diagnostics and to FleetNurse's agents and employees with a need-to-know basis.

I agree that a reproduced copy of this Consent and Release for Employment Drug Screening shall have the same force and effect as the original.

I further understand that if I am taking prescription drugs approved by a medical physician, I am encouraged to furnish said prescription to an agent of the testing laboratory prior to the collection of my urine sample.

I understand that I may contact FleetNurse at customer.support@fleetnurse.com to request a full copy of FleetNurse Inc's Drug and Alcohol Policy.

I have carefully read the foregoing, and I fully understand its contents. I agree that by acknowledging this Consent and Release for Contracting Drug Screening is voluntary, and that I have not been coerced into acknowledging this document.
